ABEI/ESP Research Grant to a Junior Researcher 2026

It is a pleasure to announce that registration for the **ABEI Research Grant to a Junior Researcher** is now open. The purpose of the grant is to fund Brazilian Junior Researchers in the field of Irish Studies. The grant is of R$2,200, to be paid to a Postgraduate Student (MA or PhD) **and** of R$700,00 (to an undergraduate student). The Fellowship aims at developing research and activities related to Irish Studies in Brazil. It is expected an engagement of the selected candidate at the end of the programme by means of taking part in ABEI events and the publication of an article related to the field of studies.

Requirements

- The registration form available on the ABEI website should be filled out and sent to abei.abeibrasil@gmail.com under the heading: **ABEI/ESP Research Grant 2026** by September 25th, 2026.
- The candidate must be a Brazilian undergraduate or a postgraduate student, **regularly enrolled in a Brazilian university** throughout the entire period of the grant.
- The student must not be taking part in an ongoing exchange program.
- **Postgraduate students must be a member of ABEI and be up to date with the annual payment in order to apply. (http://www.abei.org.br/associe-se.html)
- **Undergraduate candidates do NOT need to be ABEI members in order to apply.

Documents required

- Letter of interest in English stating why the student wishes to be funded by ABEI;
- An academic recommendation letter in English, signed;
- Updated undergraduate (and postgraduate) academic transcript;
- *Curriculum Lattes*;
- A three-month project in English, which includes objectives, justification, methodology, and bibliographical references.

Obligations

- The selected candidate will be required to present to ABEI a report after having completed the three months.
- The researcher is expected to participate in ABEI's Symposium and/or Forum of Irish Studies, presenting the results of his/her work, or work in progress.
- Acknowledgement all academic work (written or oral presentations) produced as a result of this grant should acknowledge ABEI/ESP Research Grant.

Schedule

- 03 September to 25 September: Documents should be sent by e-mail by the candidate.
- 26 September to 28 September: Assessment of proposals .
- 29 September 2026: Final results.
